### GREAT FLOTO SHOWS

"THE CIRCUS BEAUTIFUL."

Bigger and Better Than Ever—Mysterious India.

The awe-inspiring, gorgeous spectacle, "Mysterious India," so prominently announced this year by the Great Floto Shows is the climax of human endeavor in circuses.

With the aid of tradition, history and imagination some fairly adequate idea of ancient splendors may be formed and then all pale into insignificance before the glories of Mysterious India, dazzling America's millions with the splendor of the Oriental glittering, gleaming, bejeweled through. Magnificent royal chariots drawn by genuine Arabian stallions, "steeds of the Black Eagle Feather." Herds of elephants and camels, carrying Bikaners, warriors in chains of armor, sacred cattle and brilliant cars of golden plush, bullocks covered with silver trappings, odd conveyances harnessed to elephants, camel teams and natives direct from India all take part in this glitteringly entrancing spectacular production.

This one single feature which opens a long and praiseworthy program requires the expenditure of more money and the employment of more and various kinds of people than would cover the entire outlay of many so-called circuses.

Two exhibitions will be given here, and in case of inclement weather, the water-proof tents insure perfect protection and comfort. Don't forget the date, Monday, July 10.

### DODGE CITY WINS

The Dodge City Base Ball Team Beats the Belpre Boys by a Score 5 to 0.

The game of ball here on June 11 resulted in a victory for the Dodge City boys over Belpre. The game was exciting from the beginning to the last half of the tenth inning when the Dodge City boys made the winning run with two outs. The pitching of Bert Eathingier was a feature of the game as he had the Belpre boys at his mercy all of the time, striking out 14 of them. If the team had given him perfect support the score would have been lower. Several balls went into the field that should have been easy for the fielders if they had been in good trim, but the boys have not practiced enough to keep them in good shape. The following is the line up of the teams:

Belpre	Dodge City
Newhouse	c
C. McRibbon	p
Hardy	1b
Curry	2b
Hester	3b
E. McRibbon	rf
Johnson	lf
Rutley	cf
Savage	ss

Struck out by Eathingier 14, by McRibbon 5; base on balls of Eathingier 1, by McRibbon 4; Umpire, McNair; time 1 hour and 45 minutes.

### NOTES.

The last half of the tenth inning was very exciting with three men on bases and no outs when Simmons struck out and the catcher muffed the ball.

Umpire McNair certainly gave satisfaction as there was only one kick on his decisions.

Pixley made four of the six scores and held short stop down in good style.

Louie Schmidt held first base down in his old style. Everything that came his way was gathered in.

Lord was out of the game nursing a sprained shoulder, and Green held down second base.

Many of the old players are reporting for practice this week. Among them are Kilburn, Miller, Lord and Ryan.

I am prepared to tune your piano and leave it in better shape than ever before. Beat of references. Phone 43. RALPH MILLER.

### GETTING BAD DEAL

Looks Now Like Case of Spite Work Against Swanzy Brothers.

The sensational arrest of the Swanzy brothers here last week by the sheriff of Rush county seems to have been a very peculiar and unwarranted proceeding. After the spectacular swoop upon the Swanzy, the gun play and clank of chains, the rush to the train and the arrival at the LaCrosse jail the excitement was all over. There were business men at McCracken ready and apparently anxious to furnish bond for the Swanzy brothers and Mr. Bailey, and from all that can be learned here there are no just grounds for the suspicion against them. They were arrested on a charge of setting fire to buildings in McCracken. On their return they state that one of the heaviest losers in the fire went on their bond.

If the matter turns out as they say it will, that there is nothing in the charge, and no reason whatever for a suspicion against them, the affair will not prejudice Dodge City people against them. This old town has a mighty good principal of standing up for fair play. The Swanzy crowd are new people in Dodge City and there is nothing known against them here. Up at McCracken where they are known it seems that they have friends among the business men. If this charge turns out to be entirely unwarranted, the fact of their having been arrested will not hurt them. It is very easy to start ugly stories on people, and any business man who has an enemy or two could be put out of business and run out of town if people would believe ugly stories without any proof. The Globe-Republican at the time of their arrest knew nothing for or against the Swanzy brothers. Since their arrest careful inquiry has been made, and so far no foundation can be found for the charges against them, and on the other hand several reports favorable to them have been received.

They will return to LaCrosse this week to meet the charges made against them.

The "Buffalo Hunt" at the "101" ranch in Oklahoma on June 11 drew a crowd from pretty nearly every corner of the United States. It was a "free" show and although it was arranged at an enormous expense the Miller Brothers of the "101" ranch probably cleared \$20,000 on the enterprise. They got a premium of 50 cents each, it is understood, on railroad tickets sold, about \$20,000 and grand stand seats and ground privileges probably brought in the modest sum of \$12,000 to \$15,000. The expense of arranging the show probably reached from \$10,000 to \$12,000 and the total receipts must have been upwards of \$30,000. From Dodge City east to Emporia crowds of excursionists left on early morning trains to see the wild buffalo chased by the wilder Indian. From Kansas City, St. Louis, Chicago, New York and other points east and west smaller crowds and individuals started earlier and made their way to Bliss. The only charge made on the "101" ranch was for grand stand seats and Bologna sandwiches, so that no individual has any reasonable ground for objecting to the Miller Brothers cleaning up a snug little fortune. The show consisted of a number of tribes of Indians headed by their dethroned chiefs, cowboys, cowgirls and cow-ponies in a varied program of Indian antics and feats of the plains. Taken all around it was better than an ordinary Wild West show but would hardly serve as a reasonable excuse for enduring the hardships of excursion trains combined with hot weather.

St. Bernard Chapter No. 97 will give a lawn social on the court house lawn Wednesday evening, June 21st. Beeson's orchestra will furnish music during the entire evening. Ice cream and cake will be served. A cordial invitation is extended to all to be present. Mrs. ODE HARST, W. M. F. A. HOBBS, W. P.

### Huge Task

It was a huge task, to undertake the cure of such a bad case of kidney disease, as that of C. F. Collier, of Cherokee, Ia., but Electric Bitters did it. He writes: "My kidneys were so far gone, I could not sit on a chair without a cushion, and suffered from dreadful backache, headache, and depression. In Electric Bitters, however, I found a cure, and by them was restored to perfect health. I recommend this great tonic medicine to all with weak kidneys, liver or stomach. Guaranteed by Rath & Bainbridge, druggists; price 50c."

I desire to avoid making any trouble with my automobile for persons drying teams. Parties who have teams that frighten easily, can stop me at any time by raising their hand as a signal. If the drivers will let me know in this way when their teams are afraid of the automobile I think there will be no trouble whatever. G. L. FAINTER.

## GOVERNOR FOLK IS COMING

NOTED MISSOURIAN WILL SPEAK AT REUNION

AT DODGE CITY AUG. 3

Ex-Governor Adams of Colorado and Governor Hoch Will Also Be Here.

The Dodge City Reunion will have the best attractions in the way of speakers of any meeting held in Kansas this year and there will be people drawn to the meeting from all over Kansas.

Gov. Folk of Missouri, one of the most noted men of the present time, will be here on August 3.

A party composed of Judge E. H. Madison, M. W. Sutton, W. J. Fitzgerald and C. M. Beeson went to Jefferson City a few days ago and called on Gov. Folk, who they have invited to speak at the coming reunion here. Gov. Folk stated that he would be pleased to come to Dodge City unless the date should conflict with an appointment he has in Iowa.

Today Gov. Folk notified Judge Madison by wire that he will come to Dodge City August 3. No one could be a better drawing card for the Reunion and fair.

Ex-Governor Adams of Colorado has also accepted an invitation to speak at the reunion, and Governor Hoch will be another speaker.

Dodge City is very fortunate in securing these men and the managers of the meeting will proceed to prepare for entertaining the largest crowd that has ever congregated in Dodge City. Thousands of Kansans have been anxious for an opportunity to hear Governor Folk and now they will have the opportunity to hear him and at the same time attend a splendid meeting in one of the best parks in Kansas, and in a part of the state that has lately attracted a great deal of attention on account of the unusually good land investments offered.

### No Secret About It.

It is no secret, that for cuts, burns, ulcers, Fever sores, sore eyes, boils, etc., nothing is so effective as Backlen's Arnica Salve. "It didn't take long to cure a bad sore I had, and it is all O. K. for sore eyes," writes D. L. Gregory, of Hope, Tex. 25c at Rath & Bainbridge drug store.

Many will be pleased to learn the flattering reports concerning new and fast performers coming forward to the credit of the Dodge City horse, Vatican 2.18, owned by Mr. Neil Hughes. At a recent matinee at Quincy, Ill., the free-for-all trot half-mile heats was won by Harris Boy by Vatican in the good time of 1.11 and 1.12. At Macomb, Ill., a three year filly is reported as trotting a half-mile in 1.12. Still another is reported at Griggsville, Ill., as making about the same time. Two other green ones in training are announced as showing up with great promise. The young roan pacer at the track here is no slouch for the work received.

### Cider Vinegar.

We have genuine Cider Vinegar at 35c per gal. Just what you will need for pickling. MARTIN BROS.

It has been intimated that the water works company here holds the belief that it will be impossible for Dodge City to build her own water works system, on account of various reasons but mainly on account of the trouble the town would have in selling bonds. If the Company is laboring under this belief it will be impossible for the council and company to get together. It may not be a good step to take, but it can be done, and will be done unless a fair arrangement can be made with the water works company for good service. The fact is that the majority favor building a plant. A further fact is that the bonds can be sold at home if necessary. And we believe that the majority of present councilmen will be found an immovable crowd of "stand patters", that while they will not want anything unfair or unreasonable they will insist to the last on having a good fair and square deal, and if they can not get that the election will be held and Dodge City will supply her own wants so far as a water system is concerned.

### Kindergarten School

Will begin next Monday at Central Primary building, conducted by Misses Nellie Chapman and Lula Sturm, and continue four weeks, Tuition, one from a family, \$1.50, two from a family \$2.50.

### GETS FIFTEEN YEARS

Henry Matkins Sentenced and Taken to Lansing. Smith Plead Guilty.

Sheriff Miller left Tuesday night for Lansing taking Henry Matkins who has begun to serve a fifteen years sentence in the Kansas penitentiary.

Matkins is 58 years old and judging from his physical appearance will probably not live more than ten or twelve years.

The jury before whom Matkins was tried was out from Friday forenoon to Saturday afternoon before agreeing on a verdict. When a verdict was returned Matkins was brought into court, after hearing the verdict he was asked by the court if he had anything to say before sentence was passed.

Matkins' remarks in part were somewhat incoherent. His main plea was that if he could be allowed a new trial he could furnish better evidence.

In passing sentence Judge Madison attributed Matkins' trouble to his habits of drinking and gambling. Matkins' history ought to serve as a lesson to be remembered, particularly by the young men of Ford county. Jones who was killed was a young man who might have had a long and useful life. There was nothing in the way of his prospering and securing all of the good things of life. He should by right have set forth as many around him have done in Ford county and by earnest effort accumulated property, been happy among neighbors who honored him, and 20 years hence have been pointed out as an example to the younger generation of that time. And such a position as this, Matkins should by right be holding today. But here was just one little debauch in the little town of Ford, a little game with turkeys as the stake, a few drinks, a little pitiable quarrel, caused altogether by intoxication, a fight of which the survivors have only a hazy recollection, and the last opportunity to be given two of that crowd was gone. Jake Jones was stabbed mortally and Henry Matkins was left to be tried, convicted and to serve a sentence which will cover the remainder of his lifetime for his murder.

It is so easy to keep out of trouble and so hard to right things after you are in. It looks like one experience like that which resulted in Jones' death and Matkins' confinement ought to be enough for one county for a great many years.
